

WINE MENU

"Drink wine, not labels."
- Dr. Maynard Amerine

Our ever-changing wine list is specially curated based on seasons and our menu.
It shines a spotlight on lesser known regions, showcasing small producers and unique grape varieties,
as well as selected minimal intervention, organic, biodynamic and natural wines.

The wines have been carefully chosen to complement the flavors and accents of our dishes.
Each wine is an expression of adventure and exploration with a balance of acidity, structure and roundness.
We believe in unobtrusive elegance and finish.

May you enjoy every drop as much as we enjoy watching you sip.

Cheers,

Petrina Loh
